

40 DAY SPIRITUAL JOURNEY TO A MORE GENEROUS LIFE

Bible devotional to increase giving for churches and ministries by Rev. Brian Kluth

QUESTION:

“How could you leverage the value of this booklet for YOUR church?”

- PASTOR PREACHING HELPS** This booklet has 40 Biblical teaching principles on generosity, 400 Bible verses, inspirational quotes, and helpful articles that will help any pastor prepare solid Biblical messages to effectively instruct and motivate a congregation to greater levels of generosity.
- CHURCHWIDE GENEROSITY EMPHASIS** This attractively designed, Biblically rich, generosity motivating, and affordably priced booklet makes an ideal Bible devotional to increase people's ability and capacity to give generously. When the booklet is utilized in cooperation with giving testimonies/interviews during the worship service and small groups and/or adult Sunday school discussions, churches are experiencing significant spiritual growth and giving increases in their congregation.
- BUILDING FUND OR EXPANSION DRIVE** This booklet is specifically designed to help people “see more clearly” ALL of the resources that God has entrusted to them: ALL their income sources, ALL of their lifestyle choices, ALL of their assets, and ALL of their giving priorities. By going through this booklet's 40 day spiritual journey and reading through the 400 verses and identifying ALL their God-given financial resources, they are often able to give more generously “from what they have”. Some churches have indicated this booklet helped them greatly surpass their campaign goals.
- “TEST THE WATERS” DEVOTIONAL** Some churches are ordering enough copies to have their staff, top leadership team, selected small groups, or stewardship team go through this as a personal or family devotional and then discussing some of the weekly questions during their meetings. The goal is to decide if this booklet is an effective tool to give people a greater Biblical view of living generously in a way that allows them to joyfully increase their giving.
- SMALL GROUPS & ADULT CLASSES** This book can easily be used as a 40-day curriculum for small groups and classes. Because the booklet is done in an easy to read Bible devotional format with weekly worksheets, it lends itself extremely well to use in groups. The weekly soul searching questions probe people's past experiences and attitudes about finances and giving. The Scripture readings and practical projects move and motivate people to a whole new level of Biblical understanding concerning the important and value of living and giving generously.
