

40 DAY SPIRITUAL JOURNEY TO A MORE GENEROUS LIFE

Bible devotional to increase giving for churches and ministries by Rev. Brian Kluth

QUESTION:

“How can this booklet be used to help denominations, pastors & churches?”

- DENOMINATIONS** This booklet can be ordered by denominations for just \$1.50 if they would like to send a copy to all of their pastors/churches. Denominations can also receive the electronic graphic design files for this booklet and completely customize their own version with a message from the leader(s) of the denomination, information about the denomination, and any special programs they want to emphasize in the booklet (see the box at the bottom of this page for pricing). For denominations with a publishing department or book store services, they can resell their customized booklets and receive a 40-50% income flow from the sale of their customized booklets to their churches.
- PASTOR PREACHING HELPS** This booklet has 40 Biblical teaching principles on generosity, 400 Bible verses, inspirational quotes, and helpful articles that will help any pastor prepare solid Biblical messages to effectively instruct and motivate a congregation to greater levels of generosity.
- CHURCHWIDE GENEROSITY EMPHASIS** This attractively designed, Biblically rich, generosity motivating, and affordably priced booklet makes an ideal Bible devotional to increase people's ability and capacity to give generously. When the booklet is utilized in cooperation with giving testimonies/interviews during the worship service and small groups and/or adult Sunday school discussions, churches are experiencing significant spiritual growth and giving increases in their congregation.
- BUILDING FUND OR EXPANSION DRIVE** This booklet is specifically designed to help people “see more clearly” ALL of the resources that God has entrusted to them: ALL their income sources, ALL of their lifestyle choices, ALL of their assets, and ALL of their giving priorities. By going through this booklet's 40 day spiritual journey and reading through the 400 verses and identifying ALL their God-given financial resources, they are often able to give more generously “from what they have”. Some churches have indicated this booklet helped them greatly surpass their campaign goals.
- “TEST THE WATERS” DEVOTIONAL** Some denominations, parachurches, and churches are first ordering enough copies to have their staff, leadership team, or stewardship department go through this as a personal devotional and then discussing some of the weekly questions during their meetings. The goal is to decide if the booklet could be helpful in their denomination, ministry, or church.
- THANK YOU GIFT FOR SUPPORTERS** Missionaries, camps, schools, colleges, campus ministries, relief agencies, and parachurch groups are ordering copies to give as a thank you gift to their regular supporters. Some are also using the books for major donor relations and planned gift clients.
