

40 DAY SPIRITUAL JOURNEY TO A MORE GENEROUS LIFE

Bible devotional to increase giving for churches and ministries by Rev. Brian Kluth

QUESTION:

“How could you leverage the value of this booklet for YOUR ministry?”

- APPRECIATION GIFT FOR DONORS** This attractively designed, Biblically rich, generosity motivating, easy to send, and affordably priced booklet makes an ideal donor appreciation gift to send to your financial partners. The best times to send would be in the fall (i.e. year end giving focus), at thanksgiving (i.e. “We’re thankful for you!”), or in January (i.e. “We’re thankful for your faithful support this past year.”). The booklet can also be used for banquets, vision trips/conferences/events, and sharathons.
- STAFF DEVOTIONS** This is a valuable tool to help your office and professional development staff “read and discuss generosity Scriptures” together and find fresh motivation for their vital role in your overall ministry and the personal ministry they have to donors.
- MAJOR DONORS** This book is ideal to give to major donors or prospective major donors to help them read, pray, and discover how they can identify NEW WAYS they can release more financial resources for your ministry. The 400 Scripture verses, quips & quotes, and inspirational articles will increase their motivation for greater giving. The weekly worksheets will help them identify greater giving potential by reanalyzing their giving in light of all their income sources, lifestyle choices, assets, and giving priorities.
- ESTATE PLANNING** This booklet will help give your estate planning clients a fresh Biblical perspective and spiritual motivation about effectively stewarding all that God has entrusted to them.
- MISSIONARY SUPPORT RAISING** Many Christians sometimes feel they are “tapped out” when it comes to taking on a new giving commitment. When a missionary gives this booklet to their current supporters or potential supporters, it will help people identify ways they can start, continue, or increase their missionary support.
- INTERNATIONAL IMPACT** The distribution of this booklet overseas will help churches and ministries become self-sufficient. The largest church in Mongolia is translating this booklet for 1000+ believers. A South African church gave out a 1000 copies. An international ministry is making thousands of copies in a “British English version” for churches in Australia, New Zealand, and other Pacific Rim countries. The booklet is being translated into Croatian so it can be available to all the churches in Croatia.
- CHURCHES** Churches around the country and around the world are ordering copies of this booklet for their entire congregation to increase people’s understanding of Biblical generosity. Reports are coming back that giving has increased 10-50% for annual giving, building campaigns, or projects.
